Conference Update – Deonne and Brad

-Conference budget is looking good. Currently we are looking at approximately \$600.00 profit with out donations. This profit was due greatly to low-cost speakers and Clemson University covering a lot of the audio-visual needs.

-Brad provided an overview of the schedule for the conference.

-Conference Committee received a total of 35 program proposals -most ever in recent memory.

-Most significant change in the conference this year will be the addition of one more program session and brunch will end at 1:00pm on Saturday.

President – Boyd

-Boyd called attention to two documents in the conference packet. The first was a conceptual paper about the possible ACPA and NASPA consolidation. The second was ACPA Strategic Plan through 2005.

Treasurer – Jason

-Jason gave a brief overview of the current budget. Reminded the board that the budget cycle runs from conference to conference. More details will follow at the Saturday meeting.

President Elect – Dan

-Dan again announced to the Board his departure from the state. He and his family will be moving in early May to Toledo, OH. and therefore will not be able to fulfill his position of President-elect. Boyd clarified the new presidential structure for the board. It is:

President – Boyd Yarbrough

President Elect – Jason Cassidy

Past President – Haven Hart.

The board was reminded of the Saturday Board Meeting at 7:30am at the Water Oakes Conference Center.

Meeting adjourned

Respectfully submitted,

Jeff Brown
